and the D.C. concerned entertaining Rs. on behalf of Sandit Bhimacharya had to be rejected. The case has again been brought to the notice of Govt. and a few parallel cases in which Pensions service has been provided for in the Scales of Pay of certain Charitrams has been cited and are put up for reference duly flagged The difference between the cases cited & the case of Bhimacharya is that the former have been in current for a long no of years & have all been confirmed by Govt. while the latter is a new one requiring fresh sanction.

2) The Hon'ble member was pleased to observe the other day (personally to me) that retirals for Charitram Funds should be minimised as much as possible, so that no grant should, as far as possible be recommended from the funds of Charitrams

the savings from them should be credited to the "Chathram Savings Fund". In view of the repeated representations made by Pandit Rama. Sarajhan and repeated recommendations made by the DJ and Mr. Cm Pandit Rama Sarajhan's wages is considered worthy of compliance, the charge Rs 5 per month, can be met from the Chathram savings Fd ~~of Rs 22 (Rupees)~~, being ~~only~~ for his life & only for a fixed term of years.

are really few cases between and the tendency recently has been to minimise such reliefs from Chatram funds as far as possible. The scales of Sthpns in most of the Chatrams still working have been revised and on a perusal of the scales, it has been found that no provision for annadanam existing out of Chatram funds has been made. The only instance that can at once be cited is that of the Sattenapalli chatram from which a sum of Rs 84 per year has been sanctioned for annadanam. This is till the present relief is also. GEN. SECTT. 30 JAN 1925 G. D. SECTION.

Adverting to your letter No.1308/M.F.168-23-4 dated 22nd March 1924 stating that the allowance of Rs.5/- sanctioned to Pandit ------ Bhemasena char from the Chitaldrug Chattram may be discontinued for reasons stated I have the honor to submit herewith copy of letter -- Petition C.No.422 of 24-25 dated 10th January 1925 from the Deputy -- Commissioner, Chitaldrug District, stating that in view of the payment of allowances for maintenance of agnihotra it would appear that the -- continuance of the allowance to the Pandit for Purana Sravana does not seem to be wholly unjustifiable and recommending a reconsideration of the orders already passed in the matter.

2. As stated in the Deputy Commissioner's letter payment of allowance to Brah: Kasinatha Sastry for maintenance of "Agni Hotra" was -- not newly sanctioned by the Muzrai Commissioner but payment in cash - in lieu of rice allowance formerly granted by Government was ordered on the abolition of the Rest-house at Komaranahalli.

As already submitted by me allowances to read and explain --- puranas in renowned temples and at important centres are usually --- sanctioned from chattram funds - Two seers of rice with condiments (now its equivalent) are given from the late Chennarayapatna chattram for recital of purana at Muggehalli and provision for a similar ---- purpose is made in the tasdik pattis of the chattrams at Nanjungud (Vide G.O.No.4004-6/M.F.582-13-4 dated 15th May 1920) and at ------- Sakalespur (Vide Government Order No.848-49/M.F.192-23-10 dated 10th

10th December 1924). Where-ever possible provision seems also to have been made in the Temple Tasdik Pattis for recital of Purana.

3. The town of Chitaldrug is the head-quarters of the District and the temple of Sri Anjaneya where the Purana is recited is very conveniently situated and is said to attract a large congregation every day. The Purana is being recited for the last 14 years and it is only recently the Pandit has applied for Government help. I beg therefore that the orders of Government may kindly be reconsidered and that sanction for the payment of 1 seer of rice with condiments per diem or its cash equivalent from the Chitaldrug chattram to -- the Pandit may be accorded. There are no major temples in the --- Taluk to which the cost could be legitimately charged.

I have the honor to be,

Sir,

Your most obedient servant,

K. Chandy

Muzrai Commissioner.

Letter No.C.Pet.422/24-25 dated 10th January 1925 from the Deputy Commissioner, Chitaldrug District to the Muzrai Commissioner in Mysore.

---

"I have the honor to forward herewith the petition of M.R.Ry Pandit Bhimasena Char, Chitaldrug praying for the revival of the -- payment of allowances of Rs.5/- per mensem sanctioned to him in --- Muzrai Commissioner's No.C.1333/22-23 dated 30th July 1923 for --- delivering popular lectures in the temple of Pete Anjaneyaswami at Chitaldrug and to state that it is not for delivering popular ---- lectures but to read and explain puranas (Puranasravana) usually done in the temples that the applicant prayes for the grant of an ---- allowance.

2. It is seen from the records that an allowance of Rs.5/- per mensem was ordered by the Muzrai Commissioner to be paid to M.R.Ry. Bhimasenachar out of the allotment of the Anna Chattram at Chitaldrug but this allowance was ordered to be discontinued by the Secretary to Government in his letter No.1308 Muz.168-13-24 dated 22nd March 1924 to the Muzrai Commissioner. The disbursement of the allowance has accordingly been withheld.

3. In this connection I may state that the Muzrai Commissioner has in his order No.P.C.26 dated 24th July 1924 sanctioned the payment of Rs.5/- to Brahmasri Nasinatha Sastry for maintenance of --- Agnihotram from out of the allotment of Komaranahalli Chattram. In view of the payment of allowances for maintenance of Agnihotram it would appear that the continuance of the payment to M.R.Ry.Pandit, Bhimasenachar for Puranasravana does not seem to be wholly ----- unjustifiable.

4. I would therefore recommend that you will be so good as to move Government for a reconsideration of their orders and for the continuance of the allowance to M.R.Ry. Bhimasenachar as ---- previously sanctioned by the Muzrai Commissioner."

"C o p y"

Hon Muzrai Commissioner.
